1898.75.85	Frame of sticks laced with hair strings, set in the ground.	Australia	Australia;	Western Australia Sherlock District		Purchased October 1898	Emile Louis Bruno Clement
1898.75.77	Necklet of hair strings.	Australia	Australia;	Western Australia Tableland		Purchased October 1898	Emile Louis Bruno Clement
1898.75.82	Necklet of a long hair cord, greased and ochred.	Australia	Australia;	Western Australia Tableland		Purchased October 1898	Emile Louis Bruno Clement
1898.75.99	Necklet consisting of a long loose rope of twisted dark brown hair, possibly human, with two small whale or dolphin vertebrae.	Australia	Australia;	Western Australia Yule River		Purchased October 1898	Emile Louis Bruno Clement
1900.55.275	Bullroarer with human hair string.	Australia	Australia;	Western New South Wales Milparinka near Wilcannia		Donated 1900	Robert Francis Wilkins
1900.55.727	Bag containing amulets. Decorated with hair string and shell rings.	Australia	Australia?;Papua New Guinea?;	?Northern Territory Queensland?		Donated 1900 but found unentered 6 February 2004	Robert Francis Wilkins
1884.77.14	Necklet of carved turtle shell pendants in single and double hook shape, with pendant string of cowrie shells. On plaited string of hair and coconut fibre.	Australia?	Australia?;	?Queensland Torres Strait Islands		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
[1884.10.42]	Part of human jaw worn down by eating [Not located]	Australia?	Australia?;	Unknown		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1966.1.659	Ornament, length of cord made of black human hair, twisted and knotted at intervals.	Australia?	Australia?;	Unknown		Purchased 1966	Ipswich Museum per Patricia M. Butler
1884.10.41	Human mandible; the teeth demonstrating wear and missing the Mandibular condyle and the ramus on the Proper right.	Australia?; N America ?	Australia?;	Unknown		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1904.61.9	Club with three human teeth set into the head and handle bound with plaited plant fibre.	Oceania Melanesia	Fiji;			Loaned February 1904 Bequeathed 1939	Henry Ballour
1917.23.18	Specimen of human hair. Apparently from a 'wig made of human hair'.	Oceania Melanesia	Fiji;			Donated 1917	James S. (possibly Sweetland) Dallas per William Johnson Sillas
1936.34.100.1	Two human mandibles and two human scapulae. For the individual records, please see [1936.34.100.1.1 - .4].	Oceania Melanesia	Indonesia;	West Papua Pulau river		Donated July 1936	Walter Edward Guinness also known as Lord Moyne
1936.34.100.1.1	Human mandible attached with a length of cane to another mandible [1936.34.100.1.2].	Oceania Melanesia	Indonesia;	West Papua Pulau river		Donated July 1936	Walter Edward Guinness also known as Lord Moyne
1936.34.100.1.2	Human mandible attached with a length of cane to another mandible [1936.34.100.1.1].	Oceania Melanesia	Indonesia;	West Papua Pulau river		Donated July 1936	Walter Edward Guinness also known as Lord Moyne
1936.34.100.1.3	Human scapula.	Oceania Melanesia	Indonesia;	West Papua Pulau river		Donated July 1936	Walter Edward Guinness also known as Lord Moyne
1936.34.100.1.4	Human scapula.	Oceania Melanesia	Indonesia;	West Papua Pulau river		Donated July 1936	Walter Edward Guinness also known as Lord Moyne
1887.1.669	Specimen of human hair in a wood and glass frame.	Oceania Melanesia	Indonesia;	West Papua Teluk Jos Sudarso (Humboldt Bay)		Transferred 1886	Oxford University Museum of Natural History
1954.9.251	Head ornament: two human tibiae, joined at top and bottom with plaited cord, possibly of human hair.	Oceania Melanesia	New Caledonia (Special Collectivity of France);	Lifu (Lifu) Loyauté Islands (Loyalty Islands)		Donated 1954	Irene Marguerite Beasley
1884.106.30	Specimen of human hair in wood and glass frame.	Oceania Melanesia	New Caledonia (Special Collectivity of France);	Unknown		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1936.34.2	Pig-arrow with reed shaft and bamboo blade. The blade is attached to the shaft with hair yarn.	Oceania Melanesia	Papua New Guinea;	Ramu river	Alome	Donated July 1936	Walter Edward Guinness also known as Lord Moyne
1936.34.3	Pig-arrow with reed shaft and bamboo blade. The blade is attached to the shaft with hair yarn.	Oceania Melanesia	Papua New Guinea;	Ramu river	Alome	Donated July 1936	Walter Edward Guinness also known as Lord Moyne
1936.34.4	Pig-arrow with reed shaft and bamboo blade. The blade is attached to the shaft with hair yarn.	Oceania Melanesia	Papua New Guinea;	Ramu river	Alome	Donated July 1936	Walter Edward Guinness also known as Lord Moyne
1936.34.5	Pig-arrow with reed shaft and bamboo blade. The blade is attached to the shaft with hair yarn.	Oceania Melanesia	Papua New Guinea;	Ramu river	Alome	Donated July 1936	Walter Edward Guinness also known as Lord Moyne
1938.36.1300	Human mandible.	Oceania Melanesia	Papua New Guinea;	Bismarck Archipelago New Britain South-west Coast Kandrian (Moewehafen)	Arawe	Donated 1938	Beatrice Blackwood
1940.4.04	Human skull (cranium and mandible), the shape of which has been modified according to local cultural practice. For records for the cranium and mandible, see [1940.4.04.1 - .2].	Oceania Melanesia	Papua New Guinea;	New Britain Bismarck Archipelago	Arawe	Loaned 1940	Department of Human Anatomy, Oxford University Museum of Natural History
1938.36.1304	Human bone wrapped in cloth and bound with plaited rattan, with two strings of red and blue beads attached.	Oceania Melanesia	Papua New Guinea;	New Britain Bismarck Archipelago South Coast Lindenhafen	Arawe	Donated 1938	Beatrice Blackwood
1938.36.1275	Ornament of strung nassa shells and a central stick woven with fibre, edged with nassa shells and painted; attached to the central piece are two pig's tusks. Contains human teeth.	Oceania Melanesia	Papua New Guinea;	New Britain Bismarck Archipelago South-west Coast Kandrian (Moewehafen)	Arawe	Donated 1938	Beatrice Blackwood
1938.36.1288	Human skull with lower jaw.	Oceania Melanesia	Papua New Guinea;	New Britain Bismarck Archipelago South-west Coast Kandrian (Moewehafen)	Arawe	Donated 1938	Beatrice Blackwood
1938.36.1289	Human skull (cranium and mandible) demonstrating slight cultural modification. The individual recors are 1938.36.1289.1 and 1938.36.1289.2.	Oceania Melanesia	Papua New Guinea;	New Britain Bismarck Archipelago South-west Coast Kandrian (Moewehafen)	Arawe	Donated 1938	Beatrice Blackwood
1938.36.1290	Human skull comprised of cranium [1938.36.1290.1] and mandible [1938.36.1290.2].	Oceania Melanesia	Papua New Guinea;	New Britain Bismarck Archipelago South-west Coast Kandrian (Moewehafen)	Arawe	Donated 1938	Beatrice Blackwood
1938.36.1291	Human cranium which has been culturally modified; remnants of ochre and sawn in half along the sagittal line (from the posterior to the anterior).	Oceania Melanesia	Papua New Guinea;	New Britain Bismarck Archipelago South-west Coast Kandrian (Moewehafen)	Arawe	Donated 1938	Beatrice Blackwood
1938.36.1292	Human skull consisting of cranium [1938.36.1292.1] demonstrating cultural deformation, and mandible [1938.36.1292.2].	Oceania Melanesia	Papua New Guinea;	New Britain Bismarck Archipelago South-west Coast Kandrian (Moewehafen)	Arawe	Donated 1938	Beatrice Blackwood
1938.36.1293	Human cranium demonstrating cultural modification which has been rubbed with ochre.	Oceania Melanesia	Papua New Guinea;	New Britain Bismarck Archipelago South-west Coast Kandrian (Moewehafen)	Arawe	Donated 1938	Beatrice Blackwood
1938.36.1294	Human cranium, demonstrating cultural deformation, rubbed with ochre; which has been sawn in half.	Oceania Melanesia	Papua New Guinea;	New Britain Bismarck Archipelago South-west Coast Kandrian (Moewehafen)	Arawe	Donated 1938	Beatrice Blackwood
1938.36.1295	Child's calvaria [1938.36.1295.1] found with a plant fibre bundle [1938.36.1295.2].	Oceania Melanesia	Papua New Guinea;	New Britain Bismarck Archipelago South-west Coast Kandrian (Moewehafen)	Arawe	Donated 1938	Beatrice Blackwood
1938.36.1295.1	Child's calvaria, in seven pieces, covered in a dark red brown pigment and showing cultural modification. A section of plant fibre found with the calvaria is [1938.36.1295.2].	Oceania Melanesia	Papua New Guinea;	New Britain Bismarck Archipelago South-west Coast Kandrian (Moewehafen)	Arawe	Donated 1938	Beatrice Blackwood

1906.20.37	Carved arrow head of human bone.	Oceania Melanesia	Vanuatu;	Aoba		Donated March 1906	Sarah Constance Silver (Mrs Stephen William Silver) via Oxford University Museum of Natural History
1887.1.668	Specimen of human hair in wood and glass frame.	Oceania Melanesia	Vanuatu;	Épi		Transferred 1886	Oxford University Museum of Natural History
1884.118.66	Spear with socketed point of human bone.	Oceania Melanesia	Vanuatu;	Espiritu Santo		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1884.19.282	Spear with three large points of human bone and 6 rows of smaller points.	Oceania Melanesia	Vanuatu;	Espiritu Santo		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1918.2.27	Spear with a wooden shaft, sawn at the butt end, with many spiked prongs of bone, possibly human, bound onto the fore-end with plaited plant fibre.	Oceania Melanesia	Vanuatu;	Espiritu Santo?		Donated January 1918	William Johnson Sollas
1900.55.622	Rectangular object of hair caked in mud and possibly stitched with some sort of yarn, with pig tusk ring pendant.	Oceania Melanesia	Vanuatu;	Malakula? Meli Island (near Efate)?		Donated 1900	Robert Francis Wilkins
1899.62.391	Small clay and fibre face mounted on a large sheet of spider's web. Human tooth?	Oceania Melanesia	Vanuatu;	Malakula?		Donated July 1899	Henry Anson
1896.33.50	Human skull, culturally deformed, with features restored in coconut fibre and clay and decorated with pigment, feathers and possibly spider webs.	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Donated September 1896	Henry Boyle Townshend Somerville
1896.34.1	Large memorial figure comprising an over-modelled human skull set atop a body made of plant and earth material and animal bones and decorated with pigments.	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Donated 1896	George Charles Frederick
1899.62.388	Memorial head; human skull, shape modified according to local cultural practice and the face has been over-modelled with plant fibre and clay and decorated with blue pigment.	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Donated July 1899	Henry Anson
1899.62.389	Memorial head; human skull, shape modified according to local cultural practice and coated with fibre and clay to resemble a human face.	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Donated July 1899	Henry Anson
1900.55.630	Human skull which has been deformed in line with cultural preferences. The records for the cranium and mandible are [1900.55.630.1 - 2].	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Donated 1900	Robert Francis Wilkins
1900.55.631	Over-modelled human skull.	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Donated 1900	Robert Francis Wilkins
1900.55.632	Human skull with features reproduced in coconut fibre and clay coloured with scalp also coated with 'plaster' in which is set human hair.	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Donated 1900	Robert Francis Wilkins
1900.55.633	Human skull, figure of a man.	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Donated 1900	Robert Francis Wilkins
1915.6.1	Human skull (cranium and mandible), the shape of which has been modified according to local cultural practice. The records for the cranium and mandible are [1915.6.1.1 - 2].	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Donated 1915	Herbert Edward Purrey-Cust
1915.6.2	Human skull, the shape of which has been modified according to local cultural practice; with the facial features reproduced with coconut fibre and clay and covered in a red pigment.	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Donated 1915	Herbert Edward Purrey-Cust
1915.6.3	Human cranium, the shape of which has been modified according to local cultural practice. This cranium has not had any over-modelling.	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Donated 1915	Herbert Edward Purrey-Cust
1938.23.84	Head modelled on to a human skull.	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Donated December 1938	George Charles Frederick
2003.146.1	Human skull, culturally modified and with remains of plant fibre and mud remodelling on the face, painted with red and black designs. The cranium is covered in a dark pigment.	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Loaned 1906 ? Bequeathed 1939. Found unentered 2003	Henry Balfour
2004.14.1	Human skull remodelled with plant fibre and mud and painted black. Traces of ochre or another reddish pigment are also present. The cranium has been culturally modified.	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Found Unentered 2003.	Unknown
1884.57.1	Human skull, shape modified according to local cultural practice and over-modelled with plant fibre, clay and brown pigment. The shell eyes are missing.	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1884.86.8	Human skull (cranium and mandible), the shape of which has been modified according to local cultural practice. The records for the cranium and mandible are [1884.86.8.1 - 2].	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1885.5.1	Human skull (cranium and mandible), the shape of which has been modified according to local cultural practice. For individual records, please see [1885.5.1.1 - 2].	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Donated December 1885	Oxford University Museum of Natural History
1909.34.11	Human skull from a memorial figure showing cultural cranial deformation. The features have been reproduced using clay and plant fibre covered in a light coloured pigment.	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Donated July 1909	Everard Ferdinand Im Thurn
1909.34.12	Human skull from a memorial figure showing cultural deformation. Partially over-modelled skull with remnants of clay and plant fibre on front.	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Donated July 1909	Everard Ferdinand Im Thurn
1909.34.13	Human skull from a memorial figure showing cultural deformation. The facial features have been over-modelled with plant fibre and clay and then covered with red pigment.	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Donated July 1909	Everard Ferdinand Im Thurn
1909.34.5	Full sized figure, memorial to a dead person with human skull covered in a plant fibre and clay mask modelled to mimic the man's features.	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Donated July 1909	Everard Ferdinand Im Thurn
1940.4.03	Human skull (cranium and mandible), the shape of which has been modified according to local cultural practice. For records for the cranium and mandible see [1940.4.03.1 - 2].	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Loaned 1940	Department of Human Anatomy, Oxford University Museum of Natural History
1940.4.07	Human skull (cranium and mandible), the shape of which has been modified according to local cultural practice. The records for the cranium and the mandible are [1940.4.07.1 - 2].	Oceania Melanesia	Vanuatu;	Malampa Province Malakula		Loaned 1940	Department of Human Anatomy, Oxford University Museum of Natural History
1899.62.769	Club with carved, pointed head and butt bound with hair, possibly human hair.	Oceania Melanesia	Vanuatu;	Pentecôte [Pentecost]		Donated July 1899.	Henry Anson
1900.55.608	Wood club with flat, pointed blade. The cylindrical handle extends to the carved grip which is bound with hair. There is a loop of plaited plant fibre attached to the hair.	Oceania Melanesia	Vanuatu;	Pentecôte [Pentecost]		Donated 1900	Robert Francis Wilkins
1900.55.609	Club with flat, spatulate blade, pointed at the distal end, with central spur on one edge of the blade.	Oceania Melanesia	Vanuatu;	Pentecôte [Pentecost]		Donated 1900	Robert Francis Wilkins
1899.62.392.2	4-ply human-hair string.	Oceania Melanesia	Vanuatu;	Tanna		Donated July 1899	Henry Anson
1926.4.1	Specimen of human hair, in glass tube.	Oceania Melanesia	Vanuatu;	Tanna		Donated 1926	Alfred Walter Francis Fuller
1921.93.188	Specimen of human hair wound with plant fibre.	Oceania Melanesia	Vanuatu;	Tanna ? Futuna ?		Donated 1921	Edith Lucy Wake Wood
1921.93.189	Specimen of human hair wound with plant fibre.	Oceania Melanesia	Vanuatu;	Tanna ? Futuna ?		Donated 1921	Edith Lucy Wake Wood

Accession Number	Description	Continent	Country	Region	Cultural Group	Acquired	PRM Source
1921.93.190	Specimen of human hair wound with plant fibre.	Oceania Melanesia	Vanuatu;	Tanna ? Futuna ?		Donated 1921	Edith Lucy Wake Wood
1921.93.191	Specimen of human hair wound with plant fibre.	Oceania Melanesia	Vanuatu;	Tanna ? Futuna ?		Donated 1921	Edith Lucy Wake Wood
1902.21.16	Spear with a head made of human bone. The head is bound on with palm leaf fibre, with slight tapering butt.	Oceania Melanesia	Vanuatu;	Tongariki Shepherd Islands		Donated June 1902	Henry Boyle Townshend Somerville
1902.21.17	Spear with a head of human bone carved to a point. Bound to a shaft of wood with plant fibre and textile.	Oceania Melanesia	Vanuatu;	Tongariki Shepherd Islands		Donated June 1902	Henry Boyle Townshend Somerville
1896.33.22	Rectangular queue of hair coated in mud and possibly stitched with some sort of yarn, stained with a red pigment, and with pig tusk ring pendant.	Oceania Melanesia	Vanuatu;	Tonga Shepherd Islands		Donated September 1896	Henry Boyle Townshend Somerville
1920.100.126	Arrow with reed shaft, wooden foreshaft and bone point. Possibly human bone.	Oceania Melanesia	Vanuatu;	Torba Torres Islands		Donated March 1920	Robert Henry Codrington
1920.100.127	Arrow with reed shaft, wooden foreshaft and bone point. Possibly human bone.	Oceania Melanesia	Vanuatu;	Torba Torres Islands		Donated March 1920	Robert Henry Codrington
1920.100.128	Arrow with reed shaft, wooden foreshaft and bone point. Possibly human bone.	Oceania Melanesia	Vanuatu;	Torba Torres Islands		Donated March 1920	Robert Henry Codrington
1920.100.129	Arrow with reed shaft, wooden foreshaft and bone point. Possibly human bone.	Oceania Melanesia	Vanuatu;	Torba Torres Islands		Donated March 1920	Robert Henry Codrington
1920.100.130	Arrow with reed shaft, wooden foreshaft and bone point. Possibly human bone.	Oceania Melanesia	Vanuatu;	Torba Torres Islands		Donated March 1920	Robert Henry Codrington
1920.100.131	Arrow with reed shaft, wooden foreshaft and bone point. Possibly human bone.	Oceania Melanesia	Vanuatu;	Torba Torres Islands		Donated March 1920	Robert Henry Codrington
1920.100.132	Arrow with reed shaft, wooden foreshaft and bone point. Possibly human bone.	Oceania Melanesia	Vanuatu;	Torba Torres Islands		Donated March 1920	Robert Henry Codrington
1884.12.272	Wood club with carved head comprising four curved ridges running into four points, with a conical tip. The pointed butt is bound with plaited and tied hair.	Oceania Melanesia	Vanuatu;	Unknown		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1884.48.40	Cord made of human hair.	Oceania Melanesia	Vanuatu;	Unknown		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1884.74.2	Ornament or amulet of four human teeth on plaited fibre string.	Oceania Melanesia	Vanuatu;	Unknown		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1920.100.458	Coconut scraper of human bone, with three shell disc beads (formerly more) fixed to the epiphysis with a resinous substance.	Oceania Melanesia	Vanuatu;			Found unentered during the DCF 04 - 06 'What's Upstairs?' project	Robert Henry Codrington
1926.4.2	Specimen of human hair, in glass tube.	Oceania Melanesia	Vanuatu;			Donated 1926	Alfred Walter Francis Fuller
1974.19.1	Broken spear with bone barbs. Possibly human bone.	Oceania Melanesia	Vanuatu?;			Donated 1974	T.D. Rogers possibly Timothy D. Rogers
1988.54.1	Human skull comprised of a cranium [1988.54.1] in 11 pieces and incised with a human or animal figure and a mandible [1988.54.1.2].	Oceania Melanesia; [Europe]	Papua New Guinea; [United Kingdom of Great Britain and Northern Ireland];	[England Oxfordshire Nettlebed Huntercombe]		Transferred 1988 8 17	Oxford Archaeological Unit
1884.98.23	Knobbed club, inset with teeth (possibly human) and fragments of whale tooth, with seven nicks.	Oceania Melanesia; Oceania Polynesia	Fiji;	Unknown		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1886.1.1527	Wig of human hair on a basketry frame of plant fibre.	Oceania Melanesia; Oceania Polynesia	Fiji;			Transferred 10 February 1886	Ashmolean Museum
1923.50.5	Human bone needle for stitching canoe sails.	Oceania Melanesia; Oceania Polynesia	Fiji;			Donated December 1923	Everard Ferdinand Im Thurn
1923.50.6	Human bone needle for stitching canoe sails.	Oceania Melanesia; Oceania Polynesia	Fiji;			Donated December 1923	Everard Ferdinand Im Thurn
1923.50.7	Human bone needle for stitching canoe sails.	Oceania Melanesia; Oceania Polynesia	Fiji;			Donated December 1923	Everard Ferdinand Im Thurn
[1884.98.38]	Bali-headed club inset with teeth. (Not located)	Oceania Melanesia?	Fiji;	Unknown		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1884.106.56	Wig or headress of human hair with a basketwork frame.	Oceania Melanesia?	Fiji;	Unknown		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1884.106.57	Wig or headress of human hair.	Oceania Melanesia?	Fiji;	Unknown		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1900.55.641	Club inlaid with human teeth.	Oceania Melanesia?	Fiji;			Donated 1900	Robert Francis Wilkins
1938.31.3	Throwing club, ula, with inset human teeth.	Oceania Melanesia?	Fiji;			Purchased 1938	James Thomas Hooper
1886.1.1542	Ornament of a whale tooth with a short thin twisted string. Possibly with a lock of human hair attached.	Oceania Melanesia?; Oceania Polynesia?	Hawaiian Islands (United States of America)?;Fiji?;			Transferred 19 April 1886	Ashmolean Museum
2004.79.1	Coil of brown hair string, possibly of human hair. Much faded on one side and frayed in parts.	Oceania Melanesia?; Oceania Polynesia?				Found unentered 25 March 2004	Unknown
1884.48.41	Cord made of human hair.	Oceania Micronesia	Kiribati;	Gilbert Islands		Transferred 1886	Oxford University Museum of Natural History
1884.74.20	Neck ornament of gorgonia stem beads and shell beads with human teeth in pairs.	Oceania Micronesia	Kiribati;	Gilbert Islands		Transferred 1886	Oxford University Museum of Natural History
1886.1.1372	Weapon. Spear or sword made from tapering cylindrical stick set with four rows of sharks teeth on its upper half. Hair and fibre binding.	Oceania Micronesia	Kiribati;	Gilbert Islands		Transferred 13 February 1886	Ashmolean Museum
1886.1.1373	Sharks' tooth weapon with hair binding.	Oceania Micronesia	Kiribati;	Gilbert Islands		Transferred 13 February 1886	Ashmolean Museum
1895.44.4	Cap of plaited palm leaf & hair.	Oceania Micronesia	Kiribati;	Gilbert Islands		Purchased February 1895	Edward Lovett
1954.9.218	String of human teeth and beads.	Oceania Micronesia	Kiribati;	Gilbert Islands		Donated 1954	Irene Marguerite Beasley
1930.78.7	Pair of white ovulum shells attached to the ends of a short line of plaited human hair. For jungling together to attract turtles.	Oceania Micronesia	Kiribati;	Gilbert Islands Maiana		Purchased June 1930	James Thomas Hooper
1886.1.1371	Sharks' tooth weapon. Human hair binding in places.	Oceania Micronesia	Kiribati;	Gilbert Islands?		Transferred 13 February 1886	Ashmolean Museum
1985.49.221 1 - 7	Amulet. Neck ornament of 7 human teeth. With black and white cylindrical beads and one tooth attached to the broken string. For associated objects see [1985.49.221.1 - 7]	Oceania Micronesia?	Kiribati?;			Transferred 1985	Wellcome Institute (Wellcome Historical Medical Museum)
2003.49.1	Thick human occipital bone. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania Polynesia	Cook Islands;	Mangaia (Aau Erua)		Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History
2003.49.10	Piece of human rib. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania Polynesia	Cook Islands;	Mangaia (Aau Erua)		Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History
2003.49.11	Piece of human rib. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania Polynesia	Cook Islands;	Mangaia (Aau Erua)		Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History
2003.49.12	Piece of human rib. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania Polynesia	Cook Islands;	Mangaia (Aau Erua)		Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History

2003.49.13	Piece of human rib. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.14	Piece of human rib. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.15	Piece of human rib. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.16	Piece of human rib. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.17	Piece of human pelvis. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.18	Piece of human femur. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.19	Piece of human tibia. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.2	Human occipital bone. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.20	Possible piece of human calcaneus. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.21	Possible piece of human tarsal. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.22	Piece of human bone. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.23	Piece of human bone. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.24	Piece of human bone. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.25	Piece of human bone. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.3	Possible human parietal bone. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.4	Part of a human mandible. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.5	Human vertebra. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.6	Human vertebra. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.7	Piece of human vertebra. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.8	Piece of human vertebra. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
2003.49.9	Piece of human rib. One of 25 [2003.49.1 - 25] pieces of human bone from various parts of multiple bodies encrusted with stalagmite deposit.	Oceania	Polynesia	Cook Islands;	Mangaia (Auau Enua)	Transferred 1886? Found unentered 2003	Oxford University Museum of Natural History	
1917.23.21	Specimen of human hair. Apparently from a hair necklace.	Oceania	Polynesia	Cook Islands;	Tongareva Island	Donated 1917	James S. (possibly Sweetland) Dallas per William Johnson Sollas	
1884.48.39	2-ply human hair cord.	Oceania	Polynesia	Easter Island (Special Territory of Chile);	Unknown	Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection	
[1886.1.1280]	Rope made from woman's hair. [Not located]	Oceania	Polynesia	Easter Island (Special Territory of Chile);		Transferred 10 February 1886	Ashmolean Museum	
[1886.1.1620]	Cord of twisted black human hair [Not located]	Oceania	Polynesia	Easter Island (Special Territory of Chile);		Transferred 1886	Ashmolean Museum	
1886.1.1544.2	Cord of plaited human hair for suspension of bone ornament. [See 1886.1.1544.1]	Oceania	Polynesia	Easter Island (Special Territory of Chile);		Transferred 19 April 1886	Ashmolean Museum	
1916.36.226	Piece of bone, possibly human, which has been broken at an angle at one end.	Oceania	Polynesia	Easter Island (Special Territory of Chile);		Donated 1916	William Scoresby Routledge	
1916.36.227	Shaft of long bone, possibly human.	Oceania	Polynesia	Easter Island (Special Territory of Chile);		Donated 1916	William Scoresby Routledge	
1916.36.228	Piece of bone, possibly human.	Oceania	Polynesia	Easter Island (Special Territory of Chile);		Donated 1916	William Scoresby Routledge	
[1896.29.45]	Arm or leg ornament of human hair & coconut fibre [Not located]	Oceania	Polynesia	French Polynesia (Overseas Collectivity of France);	Marquesas Islands	Donated July 1896	Henry Balfour	
1884.112.25	Shell trumpet.	Oceania	Polynesia	French Polynesia (Overseas Collectivity of France);	Marquesas Islands	Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection	
1884.112.26	Shell trumpet with tufts of human hair connected to carrying sling.	Oceania	Polynesia	French Polynesia (Overseas Collectivity of France);	Marquesas Islands	Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection	
1884.13.35	Staff of dark heavy wood, rounded and polished, the top ornamented with a rounded knob of twisted human hair (black) with band of fine fibre-work below.	Oceania	Polynesia	French Polynesia (Overseas Collectivity of France);	Marquesas Islands	Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection	
1886.1.1684	Ornament of many strands of plaited human hair, bound at one end	Oceania	Polynesia	French Polynesia (Overseas Collectivity of France);	Marquesas Islands	Transferred 23 June or May 1886	Ashmolean Museum	
1922.10.1	Staff of dark wood, with head of looped human hair. The shaft is cylindrical but flattens towards the proximal butt. Binding of plaited multi-coloured textile below the head.	Oceania	Polynesia	French Polynesia (Overseas Collectivity of France);	Marquesas Islands	Donated April 1922	Benjamin Howard Cunningham	
1933.5.7	Coconut fibre dance garter with long human hair fringe.	Oceania	Polynesia	French Polynesia (Overseas Collectivity of France);	Marquesas Islands	Donated 1933	A. Robert Hottot	
1886.1.1267	Arm or leg ornament of artificially curled human hair on a coconut fibre band	Oceania	Polynesia	French Polynesia (Overseas Collectivity of France);	Marquesas Islands, Tahuata Island (St Christina) Vaitahu Bay (Resolution Bay)	Transferred 19 April 1886	Ashmolean Museum	
1884.77.21	Ivory ornament in the form of a hook-like pendant, suspended on many cords of finely plaited human hair	Oceania	Polynesia	Hawaiian Islands (United States of America);		lei niho palaoa	Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1887.1.160	Neck ornament of whale tooth hook and braided human hair.	Oceania	Polynesia	Hawaiian Islands (United States of America);		lei niho palaoa	Transferred 1886	Oxford University Museum of Natural History
1887.1.665	Specimen of human hair in wood and glass frame.	Oceania	Polynesia	Hawaiian Islands (United States of America);	O'ahu Honolulu		Transferred 1886	Oxford University Museum of Natural History
1884.93.11	Curved oblong fan of plaited pandanus leaf, the handle woven over with human hair with coconut fibre.	Oceania	Polynesia	Hawaiian Islands (United States of America);			Donated 1884 or Transferred from Ashmolean Museum in 1886.	Augustus Henry Lane Fox Pitt Rivers founding collection or Ashmolean Museum
1886.1.1199	Arrow with plant stem shaft and tip of human bone.	Oceania	Polynesia	Hawaiian Islands (United States of America);			Transferred 13 February 1886	Ashmolean Museum
1886.1.1200	Arrow with human bone arrowhead.	Oceania	Polynesia	Hawaiian Islands (United States of America);			Transferred 13 February 1886	Ashmolean Museum
1886.1.1201	Arrow with human bone arrowhead.	Oceania	Polynesia	Hawaiian Islands (United States of America);			Transferred 13 February 1886	Ashmolean Museum

Accession Number	Description	Continent	Country	Region	Cultural Group	Acquired	PRM Source
1886.1.1311	Wooden shark hook, with point of human bone lashed on with plant fibre twine. Grooved at the top for attachment of fishing line.	Oceania Polynesia	Hawaiian Islands (United States of America);			Transferred 13 February 1886	Ashmolean Museum
1886.1.1414_2	Rectangular fan made of plaited pandanus? leaf, the handle of interwoven coconut fibre and human hair.	Oceania Polynesia	Hawaiian Islands (United States of America);			Transferred 10 February 1886	Ashmolean Museum
1886.1.1448	Figure of wicker work. Formerly covered with feathers. With human hair.	Oceania Polynesia	Hawaiian Islands (United States of America);			Transferred 28 September 1885	Ashmolean Museum
1918.52.1	Fish hook made of two pieces of bone bound together with bark fibre. The point is barbed. Possibly human bone.	Oceania Polynesia	Hawaiian Islands (United States of America);			Purchased 1918	J. Bateman
1918.52.2	Fish hook made of two pieces of bone bound together with bark fibre. The point is barbed. Possibly human bone.	Oceania Polynesia	Hawaiian Islands (United States of America);			Purchased 1918	J. Bateman
1908.8.1	End-blown flute, koauau, carved from human bone. Four finger-holes. Hole carved in the back for carrying thread.	Oceania Polynesia	New Zealand;	[North Island, Bay of Plenty ?]	Maori	Donated May 1908	Committee of the Plymouth City Art Gallery and Museum, via Thomas Vere Hodgson
1923.87.100	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone.	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.101	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.102	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.103	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.104	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.105	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.106	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.107	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.108	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.109	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.110	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.111	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.112	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.113	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.114	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.115	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.116	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.117	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.118	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone.	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.121	Fish hook taken from wife of the Maori chief, Te Kooti: wooden shank overlaid with haliotis & hook of human bone.	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.122	Fish hook: wooden shank overlaid with iridescent shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.123	Fish hook: wooden shank overlaid with iridescent shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.124	Fish hook: whale bone shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.125	Fish hook: whale bone shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.88	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone.	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.89	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.92	Fish hook: wooden shank overlaid with mussel shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.93	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.94	Fish hook: wooden shank overlaid with haliotis shell. Barbed point of human bone and feather hackle bound on at one end; length of plant fibre fishing line tied to the other.	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.95	Fish hook: wooden shank overlaid with mussel shell & hook of human bone.	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.96	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.97	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.98	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.99	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.91	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island Bay of Islands	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1923.87.90	Fish hook: wooden shank overlaid with haliotis shell & hook of human bone	Oceania Polynesia	New Zealand;	North Island Papatoetoe? Auckland?	Maori	Purchased December 1923	The Executors of the Charles Smith Estate, per Alfred T. Collier
1886.1.1306	Fish hook of wood shank with haliotis shell face, bone point and string line.	Oceania Polynesia	New Zealand;		Maori	Transferred 19 April 1886	Ashmolean Museum
1886.1.1307_1	Fish hook of wood shank with haliotis shell face, bone point and string line.	Oceania Polynesia	New Zealand;		Maori	Transferred 19 April 1886	Ashmolean Museum

Accession Number	Description	Continent	Country	Region	Cultural Group	Acquired	PRM Source
1886.1.1586	Breast ornament consisting of twenty-one human teeth strung on a root or twig.	Oceania Polynesia	New Zealand;		Maori	Transferred 19 April 1886	Ashmolean Museum
1887.1.379	Wood and bone fish hook. Possibly human bone.	Oceania Polynesia	New Zealand;		Maori	Loaned / Transferred 1886	Christ Church, Oxford (via Oxford University Museum of Natural History)
1917.23.10	Specimen of human hair.	Oceania Polynesia	New Zealand;		Maori	Donated 1917	James S. (possibly Sweetland) Dallas per William Johnson Sollas
1917.23.11	Specimen of human hair.	Oceania Polynesia	New Zealand;		Maori	Donated 1917	James S. (possibly Sweetland) Dallas per William Johnson Sollas
1917.23.12	Specimen of human hair.	Oceania Polynesia	New Zealand;		Maori	Donated 1917	James S. (possibly Sweetland) Dallas per William Johnson Sollas
1917.23.9	Specimen of human hair.	Oceania Polynesia	New Zealand;		Maori	Donated 1917	James S. (possibly Sweetland) Dallas per William Johnson Sollas
1985.49.251	Perforated human bone amulet. Attached is a metal closer for a necklace.	Oceania Polynesia	New Zealand;		Maori	Transferred 1985	Wellcome Institute (Wellcome Historical Medical Museum)
1985.49.256	Perforated human bone amulet.	Oceania Polynesia	New Zealand;		Maori	Transferred 1985	Wellcome Institute (Wellcome Historical Medical Museum)
1884.96.27 a DELETE	Human hair belt	Oceania Polynesia	Niue;	Unknown		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1884.96.29	Belt made from 9 long thin plaits of dark brown human hair.	Oceania Polynesia	Niue;	Unknown		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1887.1.41	Pandanus and hair fan.	Oceania Polynesia	Niue;			Transferred 1886	Oxford University Museum of Natural History
1887.1.42	Fan constructed of woven strips of pandanus leaf bound to a wooden handle with a length of plaited human hair.	Oceania Polynesia	Niue;			Transferred 1886	Oxford University Museum of Natural History
1887.1.43	Fan woven from pandanus and bound with plaited human hair. The handle has been incised beneath the hair binding.	Oceania Polynesia	Niue;			Transferred 1886	Oxford University Museum of Natural History
1887.1.543	Comb of twenty wooden teeth bound together with string of plaited human hair.	Oceania Polynesia	Niue;			Transferred 1886	Oxford University Museum of Natural History
1887.1.544	Comb of 17 teeth bound with fine plaited string of human hair.	Oceania Polynesia	Niue;			Transferred 1886	Oxford University Museum of Natural History
1887.1.549	Ornament made from 70 (doubled) long thin plaits of dark brown human hair.	Oceania Polynesia	Niue;			Transferred 1886	Oxford University Museum of Natural History
1887.1.560	Human hair cord.	Oceania Polynesia	Niue;			Transferred 1886	Oxford University Museum of Natural History
1886.1.1414 .1	Fan of woven palm leaf strips with binding on handle alternating between black hair and orange-brown plant fibre.	Oceania Polynesia	Samoa;			Transferred 10 February 1886	Ashmolean Museum
1896.16.5	Fan with human hair binding and dark wood handle.	Oceania Polynesia	Samoa;			Donated May 1896	Henry Boyle Townshend Somerville
1887.1.666	Specimen of human hair in a wood and glass frame.	Oceania Polynesia	Society Islands French Polynesia;	Society Islands Tahiti Papeete		Transferred 1886	Oxford University Museum of Natural History
1884.96.8	Double coir cord looped at the four ends and bound together with twisted human hair	Oceania Polynesia	Society Islands French Polynesia;	Society Islands Tahiti ?		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1886.1.1637 .6	Part of a Mourner's Dress. Palm-leaf hat with feather headdress, backcloth bindings wound with plaited human hair and striped barkcloth cape	Oceania Polynesia	Society Islands French Polynesia;	Society Islands Tahiti ?		Transferred 19 April 1886	Ashmolean Museum
1886.1.1637 .9	Part of a Mourner's Dress. Headdress.	Oceania Polynesia	Society Islands French Polynesia;	Society Islands Tahiti ?		Transferred 19 April 1886	Ashmolean Museum
1886.1.1685	Circular headdress of dark brown plaited human hair.	Oceania Polynesia	Society Islands French Polynesia;	Society Islands Tahiti ?		Transferred 19 April 1886. Found unentered July 2010.	Ashmolean Museum
1928.59.14	Breast ornament of a half-rounded piece of shell perforated at the top with ties of plaited human hair.	Oceania Polynesia	Society Islands French Polynesia;	Society Islands Tahiti ?		Purchased June 1928	James Thomas Hooper
1887.1.392	Crescent-shaped breast ornament decorated with feathers, hair and shark's teeth.	Oceania Polynesia	Society Islands French Polynesia?;	Society Islands Tahiti ?		Found unentered in about 1978. Loaned 1886	Christ Church, Oxford (via Oxford University Museum of Natural History)
1887.1.664	Specimen of human hair in wood and glass frame.	Oceania Polynesia	Tonga;	Tongatapu		Transferred 1886	Oxford University Museum of Natural History
1884.74.18	Neck ornament of shell and gorgonia beads with human teeth.	Oceania Polynesia	Tonga;	Unknown		Donated 1884	Augustus Henry Lane Fox Pitt Rivers founding collection
1886.1.1573	Necklace of brown human hair threaded with 30 white shell discs and 3 pink shells.	Oceania Polynesia	Tonga;			Transferred 19 April 1886	Ashmolean Museum
1917.23.17	Specimen of human hair. Apparently from a wig.	Oceania Polynesia	Tonga;			Donated 1917	James S. (possibly Sweetland) Dallas per William Johnson Sollas
1985.49.269	Necklace of human teeth. Each of the teeth have been perforated at the tip of the root. Suspended on a string.	Oceania Polynesia	Tuvalu;			Transferred 1985	Wellcome Institute (Wellcome Historical Medical Museum)
1917.23.14	Specimen of human hair. Apparently from a headdress.	Oceania Polynesia				Donated 1917	James S. (possibly Sweetland) Dallas per William Johnson Sollas
2006.21.1	Hair fringe: individual locks of different human hair attached to a braid of plant fibre	Oceania?	French Polynesia (Overseas Collectivity of France)?;	Marquesas Islands		Found unentered during the DCF 04 - 06 'What's Upstairs?' project	Bateman (either J. Bateman or Thomas Bateman)
